

**Meeting of Ohio Democratic Editors.**  
A meeting of Democratic editors of Ohio, to adjourn at Cincinnati, and in attendance at the Convention, held at the United States Marshall's office this (Thursday) morning, organized by appointing Lecky Harper, Esq., of the Mr. Vernon Banner, Chairman, and William Armstrong, of the Tiffin Advertiser, Secretary.

On motion of Mr. Eschman, of the Chillicothe Advertiser, a committee of seven was appointed to draw resolutions expressive of the sense of the meeting. The chair appointed as said committee,

E. B. Eschman, Chillicothe Advertiser.  
J. Y. Gleason, Mansfield Banner.  
C. B. Flood, Ohio State Democrat.  
R. W. Muse, Zanesville Advertiser.  
C. N. Allen, Cadiz Sentinel.  
W. C. Gould, Lebanon Citizen.  
J. W. Rieley, Toledo Commercial.

The Committee on Resolutions reported the following resolutions, which were unanimously adopted:

Resolved, That the platform of principles enumerated by the Democratic National Convention, now in session in this city, meets our unqualified approval, for it is a platform upon which we can all stand while doing battle against the common enemy.

Resolved, That standing upon the National Platform, we will sustain the Nominee of the Convention, and will do our best to insure his election, and, if the choice of Ohio, be held in the selection of a Democrat, who, like a Chevalier Bayard, is a knight above reproach, upon our flag we will carry the motto, "Ohio will be redeemed," and in an attainment of that object we pledge our best exertions.

Resolved, That in the coming contest all personal quarrels must be stopped, so that the Democratic press of Ohio, like its Democracy, shall unite in order to ensure that victory which is its settled purpose to achieve.

Mr. Eschman, of the Chillicothe Advertiser, offered the following resolution, which was adopted by a vote of 17 to 3.

Resolved, That while we will give our earnest support to the National Nominee of the Democratic party, we yet believe that of all the candidates in the field James Buchanan is the choice of a large majority of the mass of the Democratic party of Ohio.

These proceedings were ordered to be published in the Cincinnati Enquirer, and other city papers that desire.

Respected Friend—I have for several years been afflicted with Dyspepsia, and occasionally a General Debility. I accidentally tried thy medicine, Hoodland's German Bitters, in the first place upon a daughter, who having a severe spell of sickness. Thy Hoodland's German Bitters had such effect upon her debility, that I was induced to try it myself. I then got a bottle, and used it according to the directions, and it relieved me more than anything I had before used, giving general tone and strength to the stomach and system. Last fall I had a very severe spell of the Diarrhoea, which continued for some time. My life, for a time, was despaired of. Thy Bitters again being used, acted very happily upon the stomach and intestines, and soon relieved me from the great pain I suffered, and gave me general health to the system. I consider it, doctor, one of the most valuable medicines I ever used, and shall take pleasure in recommending it to others.

Very respectfully thy friend,

**GREAT CURE AFTER THE PHYSICIANS HAD FAILED.**  
Dr. C. M. Jackson—Dear Sir:—We would inform you that we are out of Hoodland's German Bitters, which must be sold ready made. One of our neighbors has been doctored for some time, (we think about two years), with all the doctors in the country, but all of no avail. He looked as much like a dead man going about, as anything we can compare him to. His disease appeared to be an overflowing of the gall. With hard persuasion we prevailed on him to try your Bitters, with the promise to him if it did no good, we would charge him nothing for it, provided he took six bottles, according to the directions, which he has done, and is now entirely cured, and has become a well man. This cure has created a great sale in this neighborhood. Respectfully,  
**EDWARDS & BROWN.**

**FEVER AND AGUE—AN INFALLIBLE CURE.**—We defy the world to produce any medicine which does not contain Quinine, Bark, Arsenic, Mercury or any noxious or deadly compound, to cure this annoying disease so effectually as Carter's Spanish Mixture. While it contains none of the above named dangerous articles, yet it possesses a power in relieving and curing Fever and Ague, which cannot be approached by any of them separately or in combination. It acts specifically on the Liver, Purifies the Blood, opens the pores of the skin and assists nature to expel from the system the seeds of Disease, or what is as bad, the remains of the Malarial Drugs, which clog and finally destroy the constitution.

See the cure of Mr. Longene of Virginia:—He had Chills twice a day for 3 years, nothing would relieve him until he tried Carter's Spanish Mixture, only 5 bottles of which, late-ly restored him to health, nor has he had a return of the disease since.

And for sale by Fred'k Kerkstein, Cincinnati, Minn. H. Bookings & Son Eaton, J. H. Bohn, Camden, Lough & Co. Fairhaven, J. Brown, Morning Sun, J. B. Edwards, Winchester, J. Coblentz, Lewisburg, J. H. Gale, West Alexandria, June 12.—2w.

**PURIFY THE BLOOD.**  
**THE GREAT LIFE PILLS**  
AND  
**Phoenix Bitters.**  
Free from all Mineral Poisons.

The great popularity which MOFFAT'S LIFE PILLS and PHOENIX BITTERS have attained in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medical virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the best vegetable medicine now before the public, admits of no dispute. In almost every city and village in the United States, there are many who are ready to testify to their efficacy in removing disease and giving to the whole system renewed vigor and health.

In cases of SCROFULA, ULCERS, SCURVY or RUPTURES OF THE SKIN, the operation of the Life Medicines is truly astonishing, often removing in a few days, every vestige of these loathsome diseases, by their purifying effects on the blood. Fever and Ague, Dyspepsia, Dropsy, Piles, and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.
